

Highlights in my umpiring career:

In May 2016, I decided to retire as an umpire.

The next step for me, after umpiring was to become an International Mentor/grader.

I was involved as a Cadet while still being active as an Umpire :-

2012 – University World Games – Cape Town

2013 – Africa Games - Malawi

2014 – Scotland vs South Africa – Cape Town

I was appointed as a Cadet ITP in 2016.

My first official appointment was the Diamond Challenge in Durban during October 2016, working with Maggie du Plessis and Heather Gleadall of England.

My next Official appointment as a Cadet ITP is at the end of January 2017 at the Quad Series when SA, England, Australia and New Zealand will take to court in Durban.

I am hoping to be appointed as a full ITP during 2017.

I have also put my hand to paper and in 2012 I wrote the very successful "NETBALL PLAY WITH RULES," published by Future Managers and available to purchase on this site – updated with the new rules.
